THAT CERTAIN SOMETHING. IS IT THE ARTIFICIAL SWEETENERS? THAT ZERO CALORIE NEED? THE ADVERTISING? I'M NOT EXACTLY SURE, BUT I THINK IT MAY HAVE SOMETHING TO DO WITH THE "FRESHNESS" BUBBLES. THOSE TINY LITTLE BUBBLES THAT SIT BETWEEN THE TOP EDGE OF THE SODA POP AND THE AIR SEALED WITHIN THE BOTTLE. MANY, MANY HOURS ARE NEEDED TO ASSEMBLE JUST THE RIGHT SIZE, AMOUNT AND COLOR FOR THOSE VERY SPECIAL LITTLE BUBBLES. IT WAS HOW I SPENT MY EASTER SUNDAY. SOME 12 POLAROID'S LATER, WE WENT TO FILM. 12 STATIONS OF THE CROSS. 12 POLAROID'S. MY OWN PERSONAL SACRIFICE? MAYBE, BUT HAVE YOU EVER SEEN A COKE BOTTLE LOOK SO FRESH? (PS> THE TYPE WAS PRINTED IN SILVER METALLIC INK, EVEN IN THE TV GUIDE.)

She always makes me realize that there is more to life than me.

I love the fact that he knows my favorite everything.

that certain something™

I love when I open my eyes and catch him looking at me as we kiss.

that certain something™

I love the voicemails he
leaves me in Spanish.

that certain something™

I love the way he mangles
the word tagliolini.

that certain something™

She can make me laugh even
when I'm mad at her.

that certain something™

Even though we're married, she'll still flirt with me at a party.

that certain something™

There's nothing more beautiful than her sleepy, squinting eyes smiling at me the moment she wakes up.

that certain something™

I love when she laughs so hard no sound comes out.

I love that he knows what kind of day I had just by the way
I say “hello.”

that certain something™

I love that she'll wake up mad at me for something I did
in her dream.

that certain something™

I love the stories her eyes
tell me.

He knows just how to give
me goose bumps.

that certain something™

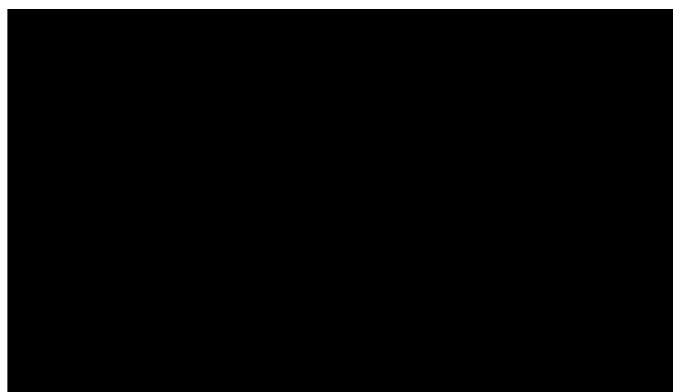

He always warms up
my side of the bed before
I get in.
